**Wolf LittleBear Begins Writing Career with the Release of
Musings From a Candlelit Chamber at Lulu.com**

STERLING HEIGHTS, MI—May 29, 2007— Local author, Wolf LittleBear, begins his writing career with a small collection of poetry and short literary works with the publication of *Musings From a Candlelit Chamber* in conjunction with Lulu (www.lulu.com), the world's fastest-growing provider of print-on-demand books.

Musings From a Candlelit Chamber is a small and intimate glimpse inside the world of Wolf LittleBear. It compiles several poems, song lyrics, and short text on a variety of subjects. He wrote most of the content of *Musings From a Candlelit Chamber* during his high school and college days. He stated, "Yes, I actually did write many of the contents in a windowless room by candlelight."

Wolf LittleBear chose *Musings From a Candlelit Chamber* to launch his dream of becoming a writer; That dream has now become a reality. He came to Lulu because he wanted to be in control of the publishing process and found Lulu's print-on-demand tools to be fast, easy and, most importantly, free. *Musings From a Candlelit Chamber* is available for purchase at www.lulu.com, in a marketplace filled with other unique and wonderful surprises.

George Bernard Shaw once said "You see things; and you say, "Why?" But I dream things that never were; and I say, "Why not?"" This credo is the driving force behind Wolf's writing. His future works include a non-fiction program for psychology professionals called *The Power of Music Therapy*; and a love story that is sure to leave you with a tear in your eye. He states there are many more ideas for future works in his mind just waiting to be written.
